

WoofTrax<sup>SM</sup>  
Autumn Challenge

Love helping  
dogs in need?

There's an  
app for that.

## How to join the challenge and support our charity:

The free WoofTrax app lets you help dogs in need. The more you walk your dog, the more donations WoofTrax makes for local animal charities like ours.

Download the WoofTrax app from the Apple Store or Google Play and register, choose our charity and follow the instructions to start walking and earning donations! Join the WoofTrax Autumn Challenge and \$1 per dog walk\* will be donated to your chosen charity. Unleash the love!
